Hi Prarthana Srivastava,

You have been invited to take **PSIT Kanpur - DS - 25-08-2025** by Tredence Analytics.

Test Duration: **2 hrs**
Start date: **Aug 25, 2025 01:40 PM IST**
(Asia/Kolkata)
End date: **Aug 25, 2025 03:40 PM IST**
(Asia/Kolkata)

Start test

OR

Paste the given link into your browser's address bar

https://www.hackerearth.com/challenges/test/psit-kanpur-ds-25-08-2025/?
login=75175d5978f0058d25b0360597d70c1c

Important

- You can take this test anytime between the start date/time and end date/time.
- Once the test starts, you cannot pause it. The test will run continuously for 2 hrs .
- Your ID needs to be verified for this test. You will need to create a DigiLocker account with Aadhaar before the test.

Before you begin

The practice test helps you to get familiar with the HackerEarth platform and its proctoring settings.There is an automatic system-compatibility check in place before

the test to check if your system is compatible for the test.

Begin practice test

Regards,

Team Tredence Analytics
